Doyle Family,

I am so saddened at the earthly loss of Ms. Dixie, such a special lady in my life; when my Mom died she let me know that she could not replace my Mom but if I ever needed a Mom she was there for me. She and her family have always been so kind to me and my family.

Ms. Dixie will be missed deeply by those of us who loved her and yet we know that she has received her crown and is enjoying the inevitable adventure of everlasting joy.

May God lay peace on your hearts, minds, bodies and souls.

Your friend, Janis Westmoland
