“ My beautiful aunt and my mother's oldest sister and also like another mother to my mother when they lost their own mother in 1982. Ever since I was a child she always loved and cared for my family and I. I treasured every moment I had with her until the good Lord called her home. My beautiful Tia Concha who always made me laugh and how my mom would call her and she always asked and Maryann? I will miss her but I will always carry her close in my heart. Much love to her family from her sister Marcella and Maryann.
