“ Beyond words to express how sorry I am to my second family. Grant will always be my best friend. There isn't another soul on this planet that could match the heart that my friend had. He made friends with everyone everywhere he went. He would give you the shirt off his back if it could help you somehow. I know this because he gave me his shirt one time at a concert , even though it didn't fit he still told me to wear it so I wouldn't get sick. Grant and I had countless memories and adventures that lead to amazing bonfire table stories that would always give people a good laugh. My mom and dad called him son , he was a little brother to my big sister and will always be uncle Grant to my children. I will miss him everyday and think about him everyday and never forget all of the good times we had. My sincerest condolences to his loving wife Nichole and his two beautiful sons Liam and Logan, and to my second family , Marty, Lisa, Alex Jessica and Momma Val I love you so much and will always be here for you all.

“ My memories of Grant are all filled with laughter. He was a wonderful father and great husband to Nichole. My time as their nanny was a special time and they always made me feel like part of the family. My heart is filled with love for y'all. May God bless you and bring you peace.

“ I grew with Grant, same schools since Fields thru graduation. He and I weren't the closest growing up, but I always remember how he made me feel accepted at school. I was a pretty whimpy kid, and I got picked on quite a bit. One day the boys at Fields had been especially extra, and we all had to play soccer. None of the boys would pass me the ball, except Grant. He made a conscious effort to include me in the game and with our friends. I will always remember him for his kindness. Rest in peace, Grant. Goodnight.

“ El me contrato para cuidar a Liam y desde que los conocí (Nichole y Grant) vi el gran amor y la excelente comunicación que tenían, siempre alegre, amoroso con su familia, era un magnífico jefe, un excelente padre, como decía el ; no piensen yo soy el que piensa, (porque decía que algunos de las personas con quien trabajaba no hacían o hacían alguna cosa y salía mal, y el les preguntaba porque no me hablaste o dijiste antes de tomar una desicion? Y que le decían es que yo pensé que era así, y era cuando decía eso, no pienses llámame y dime yo soy el que piensa,) aprendí eso de el. A no suponer sino hablar. Aun no lo creo que se haya ido, mis condolencias para Nichole, los niños, su madre y toda la familia.
Un fuertemente abrazo desde México (Letty)
