

Lujane "Jane" Dow Wilson

December 21, 2021

Lujane "Jane" Dow Wilson, 82, passed away surrounded by her loving family on Tuesday, December 21st, 2021.

Jane was born at home in McAllen, TX to Grace & Robert E. "Bob" Dow. She is preceded in death by her parents and beloved husband of 56 years, Gerald D. "Boggie" Wilson.

Jane, a lifelong valley resident, was known for her passion for antiques and collecting. Jane & Gerald, along with daughter Lynne, operated Memories Antiques and for decades had the finest antiques and collectibles store in South Texas.

In 1989 they purchased & restored The Bryan House filling it with antiques and other collections. Jane loved gardening, especially with native plants, and the yard & gardens flourished under her care. After later moving in with Clark and his family their yard was featured in a local garden tour because of her creativity. Her artistic knack spread throughout her life as she had a unique sense of style whether for decorating, clothing or crafting and loved decorating for holidays with Christmas being her favorite.

Affectionately known as NeeNee her greatest joy was her children and grandchildren.

Jane is survived by daughter Lynne Shropshire and husband Terry, son Clark Wilson and wife Teresa, grandchildren Charlotte Hollinger and husband Tim, Dustin Shropshire and wife Karla, Trevor Wilson, Conner Wilson, and great grandchildren Cogley, Asher and Eden. A visitation with family will be held at Kreidler Funeral Home, McAllen, on Monday, December 27th, from 4:00 PM to 6:00 PM. The graveside service is Tuesday at 10:00 AM at Roselawn Cemetery. Contributions in Jane's memory may be made to a local charity of your choice.

“ Dear Lynne, the last time that I saw your mom was at lunch one day a few years ago. We caught up on news and I thought after I left, there is a woman I have known and liked for years. She had a beautiful smile and sunny attitude. My mom and I would eat lunch on Saturdays and head for Memories to browse and visit. Your parents were always welcoming and fun. Saturday was a fun event to remember. It was a pleasure to know her. I know how much you are going to miss her. .My sincere condolences to you and your family.

“ Terry & Lynne's daughter, Charlotte, and my son, Tim, have known each other since they were three years old when they met at St Paul Lutheran Day Care, so the Shopshires and grandmother Jane — "NeeNee" to Charlotte — have been part of our circle for over 30 years. When Tim & Charlotte married in 2014, NeeNee became part of our extended family. We have great memories of her at the wedding and of our large two-family gatherings for great-grandsons Cogley's and Asher's birthday parties. With NeeNee's passing, part of our family — and a part of our hearts — has passed with her. Rest in peace, dear NeeNee.

“ Sweet Aunt Jane. Always so classy, always dressed beautifully and always with a sweet smile on her face. Will miss seeing her on holidays and in the antique shop. She will be missed.

“ I have known the Wilson family my entire life. Jane was an amazing, kind and wonderful lady. I spent a lot of time at Memories Antiques and grew to love Jane as much as I loved her mother. I wish I could be there in person but I am not able to.

I would like to express my heartfelt condolences to the entire family.

“ I have so many good memories of food, family and fun at the Bryan house. Uncle Boggie and Aunt Jane's house was the last stop for trick or treating. The kids were all outside tearing around and Terry was usually "the monster" they ran from. Aunt Jane's home and property was lovely, full of antiques on the inside and beautiful native plants and trees on the outside. It was like a little nature conservancy in the middle of a busy growing city.

Boggs and Jane came to visit us when we moved to Fredericksburg. Mike and I were so tickled because the first night they stayed with us they slept until 11:00. They were so embarrassed, but it was so quiet in the country and I did not have a clock in their room. We took them shopping and finished the day at Luckenbach and that's the only time I ever saw Aunt Jane concerned about how she was dressed. She always looked lovely and well put together. That day in Luckenbach she was the best dressed person there.

It's been a joy for me to be a part of the Wilson family for 44 years and when I think of Aunt Jane I think of bridal showers, holidays, and family gatherings and she always dressed perfectly and hosted much fun.

We will miss her! My thoughts are with Lynne and Clark and their families. Sue Wilson
