“ To the Dyer family, know that you all are in my prayers as you grieve the loss of this great man. His legacy lives on in each of you. With faith in the resurrection, may the angels lead him into paradise; may the martyrs receive him at his arrival and lead him to the holy city Jerusalem. And may he find eternal rest in the loving hands of God.

“ I was sure saddened this evening to hear of Mr. Dyer's passing... He was sure a good man -- a soldier, a statesman, and a knightly gentleman. I have known the Dyer family since I was a boy, and they are a first-class group -- the kind that you find when the patriarch was Newt Dyer! He truly lived his faith every day, loved his fellow man, and he was gracious enough to pass on numerous bits of wisdom to young people. I know he passed some on to me! He was a perfect example of a life well-lived. He will certainly be missed, but his good nature and guidance lives on, in the lives of those that he influenced. RIP, Mr. Dyer....

“ There are no words that are sufficient to express the heartfelt sympathy during this difficult time. Please accept our condolences and know that you're in our prayers. Newt was a great, kind gentleman with a smile regardless. He was willing to share his jokes with anyone willing to listen. He was certainly one of a kind...never to be forgotten...
