“ Some people come into our lives and make an impact. Fewer people come into our lives and help us grow. Then you have a rare grouping that will affect you in such a way that you feel larger than life itself. Doña Chucha was one of these rare spirits. She made me feel like I could take on the world in the few instances that we met. Please know that she is cherished and missed.

*I pray that your heart is filled with her love and hope during this time if need.
“May the Lord bless you and protect you; may the Lord make his face shine on you and be gracious to you; may the Lord look with favor on you and give you peace.”*
