

Nancy Sharon Boultinghouse

December 26, 1946 - March 5, 2017

Nancy Sharon Miller Boultinghouse, 70, of McAllen passed away at Amara Hospice in Edinburg on Sunday, March 5, 2017 due to the lingering effects of lung cancer.

Nancy graduated from Calallen High School in Corpus Christi, TX and received an Associates degree in Arts from Del Mar College. She married Danny Boultinghouse in 1968 and they moved to McAllen in 1972, where Nancy supported her husband's architecture firm, took a turn working for a printing facility, and then a magazine publisher before spending the final 12 years of her career at the McAllen Economic Development Corporation (MEDC) as the Director of Marketing. Nancy was an avid outdoors-woman and spent many days soaking in the sun while reeling in the reds on the coast. Her love for life and compassion for others are evidenced by the outpouring of love and support from the Valley community during the final chapters of her life.

Nancy is survived by her husband, Danny Boultinghouse; her daughter, Wanza Lefay Madrid; her granddaughter, Sierra Raine Berry; her step-granddaughter, Phoenix Arianne Berry; her brothers & sisters and their spouses, Kyle & Beverly Miller, Odessa & Johnny Dean, Otis & Beverly Miller, Yvonne & Henry Stewart, and Patricia Flagg. Nancy is also survived by her two devoted pups, Peanuts and Tassie, who, along with the rest of her family and friends, will miss her greatly.

A Memorial service will be held on Friday, March 10, 2017 at 10:00 AM under the direction of First United Methodist Church in McAllen. A reception will immediately follow in the FUMC social room.

In lieu of flowers, donations can be made to the Sanctuary Building Fund at First United Methodist Church. 4200 N. McColl Road McAllen, Texas 78504.

“ We are so sorry the circumstances unfolded as they did...Nancy was a good friend and a tremendous public citizen...for many years Nancy did the complete layout for the summer recreation brochures for McAllen Parks and Recreation Department...we could not have excelled without Nancy...at MEDC Nancy was a rock...she was the consummate ambassador for McAllen...Nancy knew everything about everything and was eager to help anyone who needed help...her mark will remain forever on the greatness of McAllen....our condolences and prayers to your family.

“ Danny and Wanza, you are the loves of her life. Everyone who knew her, knows that was a fact. I know nothing will ever fill the void or sooth the ache of missing her. Grief is the price of love, but loving her was a privilege. I spent ten of the best years of my life with Nancy...of course, I gave her a nick name, it was Naner. She started with me in Successful Attitudes and Mythmakers working typesetting and soon took over Production Management. The clients loved her, the staff found in her a compassionate friend who always went above and beyond on their behalf. She was the willing face that looked passed the 'I'm fine' into their hearts and became the solace, life preserver, or tireless dragon slayer...always without judgment. Her generosity was stellar. Her selflessness mentored me. Her sense of humor lightened the load and her genuine desire to recognize the talents of others, no matter how zany, was priceless. It was an honor to have her be my friend, in the best sense of the word. I am ever grateful God brought her into my life, like a gift...I am so glad that one cool December, the day after Christmas, God had a great idea...and it was Nancy.

“ My heart aches for Danny, Wanza, Sierra and Phoenix, y'all meant everything to her. I'll miss her too but know God has given her rest and for that, I am thankful. Though life pulled us in so many directions throughout the years, with every phone call or visit, we just picked up right where we had left off from before. I learned much, shared much and I laughed till my my belly ached many times with Nancy B. Thank you Danny for your loving, patient care of my wonderful friend and more importantly, being her constant in every aspect of her life. RIP my sweet friend!
