“ *Dear Francois, Pierre, Monique, Bill and extended family,
On behalf of my family our deepest condolences to you all. Agueda welcomed me and us in 1991 as I sought to find my father's history. She immediately opened her heart and proceeded to give me her part of my family. She and Bill Sr filled in so many unanswered questioned and continued to help bond me to my new found family. Throughout these 26 years she made sure to keep that link firm and strong. Her faith was undaunting and gives me solace. I will forever be grateful for her gifts of Monique, Pierre and Francois and the many hours on the phone and occasional visits that kept us close. With all my love, Nila*
