Our father was a wonderful and devoted self made business man very driven to his businesses. He worked at Hewlett and White in 1953 went on to work for Charles Clark Chevrolet. In 1960 he had the opportunity to purchase Skinners Flower Shop in Edinburg, Texas in which he worked very hard to make it succeed and serviced the Edinburg community to the best of his ability, and that he did. He became prominent and well known for his services and expertise in the floral design industry. In 1980 he sold his business and went on to buy Rio Grande Valley Sanitation Control and continued his business until he retired at 77 years young.
