“ I met (then-Major) Guerra in late 2003 when I joined the 3rd Battalion, 1st Brigade, Texas State Guard. He was a trusted leader and mentor. As I look at our Unit Photo at AT 2004, I think it very appropriate that he is standing over me in the group, representing support and leadership over me and others. He eventually became BN Commander and retired with a Brevet promotion to Colonel. Lorraine and family, I am very sorry for your loss. - LTC Clifford "Butch" Durham, Commander 3rd BN 6th BDE TXSG

“ I had the pleasure to serve under Major Guerra with the unit in Weslaco Texas State Guard.. His exemplary leadership led us all through successful missions..

We have lost a great soldier who was a true patriot and served proudly. His colorful sense of humor was another good quality that kept the moral of his soldiers going. For this farewell, I respectfully salute you for your service. God Bless you as you take this journey and rest with the other heroes.

To the family, may you find comfort in the arms of our good lord and thank you for sharing your loved one with the rest of the world..

*I am five years late but want to pass along my condolences to Amando and his family. Amando was one of my primary mentors during my first two years (and his final two) as an agent in the FBI McAllen RA. He had an encyclopedic knowledge of all policies, rules, and regs related to the Bureau. And his colorful brand of humor also managed to lighten the mood in the office. RIP, sir.*
