“ *Daphne and I loved our sweet Miss Sue so much! She was a help to everyone and such a beautiful, heart-felt friend! She and Mr. Lee were responsible for much of the success we had in the Texas Rio Grande Valley because of their support. Although we will miss her with us, we know there is a joyous reunion in Heaven awaiting us one day!*

“ *Sue was a Great Lady.....She always had a smile on her face and we all new she was in a lot of pain with her back issues. We met about 3 years ago at one of the RGV Showcases and we became immediate friends..... She helped work the table at my Solo events and also worked the table at our Abundance Quartet events. Her newest Dog (Hudson)(aka Rowdy) was the joy of her daily routine. RIP Sweet Sue!!!! We'll see ya on the other SIDE!!!*

“ Sue and Lee helped make a difference in my life. I won her Center City pageant in 1988, and they spent countless hours training me for the Miss Kansas pageant. While I didn't win Miss Kansas that year, I did win in 1990, and their training was invaluable to me. They also attended the church I grew up in, First Bible Baptist, Wichita. Sue was a wonderful woman. Always meticulously dressed and full of class and elegance. I know she and Lee are together in Heaven, but she will be missed here on earth.

“ I will always cherish the memories with Lee and Sue. They were always smiling when we were together. I've always thought of them more as family. I miss them both. But I know they are together in Heaven. My love to you John, James and your family . Debbie Jackson
