“ *Debbie and Kathy, I mourn with you in the loss of your beloved father, but also rejoice with you in knowing that we will see him again in heaven. What I remember most about your Dad is his smile. I will be praying for you all. May God comfort you and your family.*

“ *I have so many sweet memories of Brad and Alene, Debbie and Kathy that go back to my early childhood. I remember playing in a tree in front of your house when my folks would stop by on a trip back from Mexico. Brad had a huge impact on Doug and I both as teenagers during those turbulent dating years. He was a man of amazing Godly wisdom who was willing to invest his life in others. Love this family so much. We are praying for you as you celebrate his life and home going.*
