“ *I worked with Mr. Carrales when he taught school. He was such a wonderful influence upon the students--even though he did say the men that served under him would follow his commands easily and he had a difficult time getting 20 students to get in line and follow directions. He was a fine person who sought to bring out the best in students and co-workers. Thank you for your service to your country, community, and fine example of how people should try to live. You will be missed Mr. Carrales. Ralph and Jo Ullrich*

“ *Our thoughts and prayers for all the Carrales family. We were privileged to have met Carlos and Rachel at a time when we were very young in our faith. We thank the Lord that he was a part of teaching us and growing us in our faith. He also was a man of integrity that we trusted with our taxes for many years. His love for the Lord and his family were undeniable. Not only did he make a difference in our lives, but there's no doubt that he did so in the lives many others. Well done good and faithful servant!*
