We love you #Char. Thank you for weaving so much wisdom and joy and firebrand spirit into our lives. I have been a friend of Char and Ben since we met for the early day dog walk in the Park, and discussed the issues of the times since 9/11. We moved from RGV in 2015, but kept in touch via Internet when she was able. I last saw her in December and was saddened to learn of her passing when I tried to reach her on her birthday. I shall miss her dearly. She shall be cherished. Sending deepest condolences to Char's family and friends As they grieve and as they celebrate the love she gave. Blessings be with you, Deborah Avellano

“ *Charlene was the life of the party. She was a great supporter of the International Women's Board (IWB) of the UTPA Foundation. I'll never forget her dancing at our receptions, always happy and smiling. She was such a joy to be around. May she dance forever with God - Christy Cantu*
