“ Lee's passing breaks our hearts. Susan, I think of you every day and wish I could see you just to give you a big love hug. God be with you and all of the family and help you all through this extremely painful time.

I will never forget a time years ago when I had gotten a really bad hair cut. I walked by Lee and he looked at me as if he truly understood how a woman feels when she has a messed up hair cut, he said, "It will grow" in such a kind voice. There are so many happy and some sad memories shared with Lee by all who knew him. He will be truly missed, but never forgotten.

*With much love to Susan and family,
Sue*
