

Christine Ann Perry

December 17, 2021

Christine Ann Perry was born on February 15, 1961 in Pipestone, MN. She was raised in Brandon, SD and moved to McAllen, TX over 30 years ago. Almost 20 years after graduating high school, while raising her four children, she earned a double Bachelor's in History and Political Science from the University of Texas Pan American. Chris then went on to be one of the most inspirational and proud teachers for Weslaco East High School for over 20 years. Over the years she had an impact on many students and continued pushing them to succeed even after graduation. She was a shining example to everyone that you can achieve success if you work hard for it.

Chris gained her wings on December 17, 2021 (60) in Edinburg, TX. She is preceded in death by her loving parents Janet Faye Perry (58) and Lester Leroy Perry (65), along with her grandmothers and grandfathers. Chris leaves to cherish her memories: her siblings, Cheryl and Kevin Swenson (Sherman, SD), Tom Perry (Mitchell, SD) and Tim Perry (SD), her four children and spouses: Kayla Perry (McAllen, TX), Tracy and Jacob Rhods (McAllen, TX), Dustin and Yared Perry (McAllen, TX) and Austin and Bianca Perry (Mission, TX) along with her 14 grandchildren that she loved to the moon and back. Christine was loved by so many and will be missed dearly.

“ She was a jokester, she was caring, she was a friend, she is a mother and a grandma! I met her back in 2016 she didn't know me but when meeting her it was like meeting someone I had already known. She would crack joke or pick at anyone just to get everyone to laugh. The way she was with her children and grand babies was priceless. She treated me like one of the kids she would crack jokes at me and pick at me every time she saw me. She would make a bad day better just by her personality and her jokes. I miss you Ms Chris and I will see you again one fine day. I know your having a grand ole time up there in heaven!

“*Condolences to her family. I knew Chris through her participation in the Region One Teaching American History grant Project PASST. She was one of our best teachers and supporters. As the Director of the grant at the time, I came to know her and to see what an amazing teacher she was. As a friend on Facebook I saw how much she loved her family and her students. We all will miss her.*
