

Christopher G. Tremper

October 14, 2025

Christopher G. Tremper was called home to be with Our Lord on October 14, 2025. He passed away at his residence, in McAllen Tx, in the company of his parents Sonya and Charles Miller.

Christopher was a 2008 graduate of PSJA North High School and was a member of the Raider Ryders, a cheering spirit group. He was a volunteer at the Dustin Sekula Library in Edinburg, Tx in 2009-2010 and then began employment as a clerk in the Hidalgo County District Attorney's Office assigned to the Fraudulent Check Division. He remained employed there for 15 years (2010-2025) until his battle with brain cancer forced him to resign.

Christopher leaves behind his parents and a host of family, friends, and coworkers. As a living celebration of life was held earlier in the year, no other services are planned.

MO

“ *Every morning I'd walk in to work I'd be greeted by Christopher. He always brought a smile to my face with his quick witted "Oh good morning Monica" as he looked down at the time to point out I was late. He shared all my big milestones with so much joy and was always excited to tell us about all his travels when he returned from vacation. He will be truly missed as a coworker and friend.*
