

Craig R. Johnson

January 21, 2026

On January 21, 2026, Craig R. Johnson left this world to go to his reward in Heaven. He was a good husband, father, grandfather, brother, uncle and a loyal friend. He was kind to animals, charitable and known for knowing everything. He never had an argument he didn't win., (or so he believed) and could sell you a piece of the moon even though he never owned any of it. He was dependable though and if he said he was going to do something he would do it, sometimes to his chagrin. Above all, Craig adored his grandchildren and cherished time spent with his family, especially when he was behind the grill, proudly cooking BBQ and bringing everyone together. Born October 19, 1951, to Karl and Elenore Johnson, he lived the majority of his life in South Texas. He graduated McAllen High School and attended college. He worked as a general contractor, and was an entrepreneur, running Blazing Pickles, until it was sold.

Craig is survived by his wife of 48 years, Kathleen Johnson, his son Mike (Alice) Johnson, daughter Shawna (Michael) Kennedy and three grandchildren, Gideon (Teya), Julia and Krystin and his sister Terri (Donald) Drefke and sister-in-law Cindy Johnson.

Services will be held on Saturday, January 31, 2026 at Kreidler funeral Home from 12:00 to 2:00 pm.

Today I decided to call Craig....we hadn't talked or seen each other for a few months and I just wanted to touch base. We've been friends for a long time, 55 years I think. When his phone rang and immediately went to a recorded message about no longer in service.....I got a panicky feeling in my gut because this wasn't normal. He was on one of my speed dials...so this time I dialed the number myself....same thing. So I got online and googled him.....and there it was. My old friend had passed three months ago. I feel so saddened and sorry for his family, but I feel even worse for myself. there aren't many left in our circle of friends from the "old" days and I will miss him. Craig was a damn good guy and a fountain of knowledge. Know-how that will definitely be missed at some point in the future by those who relied on him. So rest in peace Craig....with a little luck and God's Grace we'll meet up again.

“ *I will miss you dad. Today was one of the most difficult days but the love of family and friends made it possible. Thank you to everyone who showed up, gave flowers, food, and prayers. We appreciate everything. My best memory was the last day I saw him. We worked out at the gym on a beautiful cool morning and had a great conversation. He will be missed.*
