“ *The Villarreal's are so much a part of my years growing up in the Valley. Mr. Villarreal was always kind to me, even when he would catch us taking his car and sneaking out late at night. I am deeply saddened at his passing, but I look forward to seeing him again one day.*

My thoughts and prayers are with the family during this difficult time. May God's peace sustain you and the memories you have of your father give you comfort in the days ahead.

*With love,
Charlotte*

“ *I have had the privilege of working for Nicho as his financial advisor for the last 17 years.*

He was a kind, soft spoken man with a keen understanding of business and investments.

He would pat me on the back when he was pleased with my work and share a word of

encouragement when things weren't going our way. He was always a joy to work for.

Nicho dearly loved his children, grand children, and two great grandchildren. He quietly

earned the respect and devotion of all of us who worked for him. We all loved him and will miss him.

The encouragement I share is that through salvation by accepting the saving grace of

Jesus Christ dying on the cross as atonement for our sins, we don't have to say "good bye" to Nicho we have the blessing of saying "I'll see you again in Heaven".
