“ *I will always remeber Mrs Van B and now miss her. What a lovely soul. She combined kindness with strength and was so classy. I admired her so much. I could always call and come over to get some advice on my sewing or cooking projects. I treasure what she said to me and how she treated me.*

“ If have many wonderful memories of Mrs VB and the whole family as for many years I was in and out of the Van Burkleo house more than my own. But one of the most memorable experiences for me was when Pat, DeeAnn, Mrs VB and I took a road trip to Gainesville to paint and do a bit of fixing up at Dorinda's mother's home. It was a week of laughs and hard work and the results were great and the appreciation from Grandma Ward was worth so much to all of us. Dorinda you were at times like a 2nd mom to me. Thank you for being part of my life. Sylvana
