“ *Dear Randy and Rick. I'm so sorry to learn of your mom's death. I tried many times to reach her by phone. The next best was Facebook where i found your wife and tried to connect with her. It had been quite awhile since she had posted. Did go to internet and found several names similar to yours.*

She was very special to me. Every other year we would go to Texas to visit Uncle Orval and Aunt Iva. It was so good to visit with them. We would go over the border for the great Mexican food. Very fond memories.

Your mom had told me how you wanted to know your family in Missouri when we visited several years ago. My husband passed almost 2 years ago. You guys came up one time and visited. My car was the silver camaro. My name is Joyce Springate. Aunt Cleo was my mother. Unfortunately I'm the only one left in the family as was Dorothy.

My address is springatej1@centurylink.net, phone number 816-699-7599. or 6619 Stillhouse Rd., Oak Grove, Missouri.
