“ Dorothy was a sweetheart. She always wanted me to save her a seat in Sunday school. I enjoyed sending her cards from Sunday school the last few years. God bless her memories!

“ I have happy memories of sitting around the Schultz kitchen table with Clyde, Dorothy, Sheryl and I laughing about silly stuff, and how Sheryl and I really needed to get married and have kids before the end of the world. We had no prospects at that time so it was kinda funny. At one of their family get togethers, Dorothy proudly announced that she (and of course Clyde) were responsible for the whole bunch. What a loving and sweet family! Imagine how happy Clyde and Dorothy are today! I'm sending prayers that God puts his comforting arms around you all and big hugs from me. ❤️
