“ I've stared at this blank space trying to find adequate words to express what Sparky meant to us...and to so many others. Nothing seems to come close to fully describing the heart and life of this wonderful man. He impacted so many lives. He loved God passionately and that love overflowed to everyone around him. He took life seriously, but laughed easily and often. He will leave a huge empty spot in our hearts. Our summers have included Sparky for so many years that it's hard to imagine Delta without him, but he leaves behind a huge legacy of changed lives. What a blessing! Our prayers are with Marlene and the children.

“ Sparky was a kind and decent man of God. We use to camp behind his cottage at Delta Lake. He would always come over and check up on us or to see if we needed anything. And the funny stories he would tell us always kept us all entertained! The stories were usually of the wildlife that would take refuge under his cottage and the lengths he would go to rid the area of the undesirable ones. Never knew beforehand that even skunks can be baptized! Rest well my friend and faithful servant. Enjoy your heavenly reward!

“ The twinkle in his eyes, warm handshake, and smile always let one know that Sparky loved and cared for everyone. May God bless the family with mercy, comfort and grace.

“ We met Sparky on the very first evening we attended First Baptist Church of McAllen in November 2004. He was always so kind to us and a joy to know. He will be missed.

“ I knew Dwight as a kind and giving man. His smile and laugh put everyone at ease. He and Marlene dedicated their lives to helping children. My sympathies to his family.

“ *Sparky was truly a man of God. It was always great to see him in our Sunday School class and to hear his learned responses. He will be missed by all who knew him.*

The thing I remember about Sparky was the question, Do you know Jesus? No matter where he was or who h was talking to, that question would be asked. Love you big brother, will see you again some day.
