“ *The Forshage family has always been special to me having grown up with them since they moved to McAllen and spending a lot of time at their home and on outdoor adventures. I have very fond memories of joining Mr. Forshage, Eddie (III) and Joe on lots of fishing and hunting trips they generously shared with me.*

*I've always admired Mr. Forshage for his gentle and quiet ways, his humor, and how kindly he always treated me and others. He and his influence have left a lasting legacy with many people and I count myself fortunate to be one of them. I will miss him.*

*Hugs to all the Forshage family. I hope to see you all soon.*

*Love,  
Kevin Kelly and family*

*My condolences to the family of Mr. Forshage. As a former employee of Foremost Paving I would like to say I admired his character and of all the contractors I worked with he was the best in the way he treated his employees. Those twenty three years I worked for him were my best years. Prayers for the family!*

*Sincerely,*

*Gary Coleman and wife Thelma*
