“ *Elva was “Tia Vita” to all her nieces and nephews. I am her niece Norma and one of my first lasting memories of Tia Vita was how strong, smart and beautiful she was. She was so classy and I wanted to be like her. I so admired the life her and Uncle Johnny built together and I wanted to own a Mexican restaurant just like them one day (I was only about 10 or 11). 92 years old and 70 years of marriage. That is a wonderful life!! God bless you Uncle Johnny and Patti Ann! I love you both!!! I am not there with you, but my heart is.*
