“ My deepest sympathy on the loss of Eugene. I was one of Kerry's friends in Indianapolis and got to know him while friends with Kerry, and of course after her loss. He was the best to chat with. He was pure moxy and I enjoyed every second I had knowing him. I loved being able to talk with him after Kerry's passing. It was so meaningful to know her history. I'm so grateful to know he is with her now. Sending my love to your family.
