“ I will miss you my Tio lindo! I will treasure all the wonderful memories I have of you! I especially remember when I was young and we all lived in Miami there was this big New Year’s Eve party I think at Tio Jose house. I remember there being this big pig on a rotisserie and us kids would be like wow we actually have a pig a real pig cooking with an apple in its mouth and everything! You would be saying if I catch one of you picking at this I’m going to put you on this stick. And we would be laughing. I take your beautiful smile and hugs with me always! I love you so very much! Tell the family hello and we will be seeing each other again! Te amo!
