“ So many memories growing up visiting Uncle Fred and Aunt Helen in South Texas, loving life and giving to others. I still have the memory book mom made when they brought her to Florida as a teenager. So many gathered again in heaven praising at the feet of Jesus. My heart is with you all though I can't be with you tomorrow.

“ My thoughts and prayers are with the family at this difficult time. I recall meeting Fred once, along with his wife, whom preceded him death, and I remember how happy they were with one another. I remember how they marveled over Mrs. Denner as well. He was a wonderful person, filled with love.
