

George Wilson Carpenter

July 27, 2023

McAllen- "Ninety minus two" was how George gave his age in his last days at DHR in Edinburg. Beloved husband of 68 years to Martha, they were blessed with four children: Cathy (Roy) Pollock, Linda (Jonathan) Bevil, Andy (Roxie) Carpenter, and Kenny (Natalie) Carpenter. He loved and enjoyed 14 grandchildren, 25 greats and 3 great-greats, each one special and well prayed for every day. His favorite Bible verse was 3 John 1:4, "I have no greater joy than this, to hear of my children walking in the truth."

"Granddaddy" was his favorite title but after graduating from Texas A & I, with a degree in Ag Engineering, he fulfilled his goal of being a farmer. While farming he also served on several Ag related boards. To name a few: dairy, citrus, grain, vegetables and irrigation district.

George and Martha loved to travel and made several memorable trips to faraway places; pretty good for someone with his feet firmly planted in the soil and everything important. At 42 years, George gave his heart and life to his Lord and Savior, Jesus. From that time, he was devoted to planting the seed of God's word through his ministries in the church, Gideon's Bible distribution and Answers In Genesis creation ministry.

Gifts can be given in his name to Gideon's International, P.O.Box 2671, McAllen, Texas 78502 and AnswersInGenesis.com.

“ *George & Martha seriously impacted my family and me in the early 80's while living in the RGV. We had a family of 5 when I met George and Martha at a Bible study in Edinburg. He found out that I was between jobs with very little cash on hand. The Carpenters owned a large Dairy farm and he generously gave us milk anytime we needed it. All we had to do is bring containers. We developed a great friendship and he imparted not only Grace and Truth into my life but also stood by me as a friend and brother during a very trying time in my life.*

“ My dear Aunt Martha, Cathy, Linda, Andy, and Kenny. Sending all my love during your time of bereavement while resting in the peace of knowing Uncle George is with our Heavenly Father. Uncle George was the best example I have ever seen of a husband, father, and grandfather. He was a powerful man of God and we had some special conversations when I came to Texas 4 years ago . I hold you all in my heart and prayers 🙏❤️ Love from Carol Rae and Aunt Marianne .

“ George and Martha used to park their RV down at S. Padre Island for months and allow their family to use it each year. This generosity was extended to us as their pastor's family, and I spent many happy hours with my husband and children having vacations that we could not otherwise have afforded.

One year, when I was homeschooling, I asked George and Martha to do a project with my children. Martha decorated a birdbath with Hannah, who was quite small. I kept it for years. Matthew was older, and George decided to take him through the entire process, including the planning and purchase of supplies. The two of them trotted off to the building supply store, and then came home to build the project. He was very patient with Matthew, and I still have the birdhouse sitting on my front porch. It's weathered now, of course. The paint is peeling away, but the memories of a kind deacon who took the time to invest in my son live on!

“ Oh how my heart aches that George has left our realm....but rejoices to know he is with his Lord, Jesus...he was a tribute to Christ follower, true, loyal believer, kind and sharp. I will miss him...
