“ George was one of my most cherished best friends, I learned so much about living life according to the Bible, and from his own life experiences. I will always remember his humor and wisdom, so many wonderful stories he shared about the many experiences he had and was always interested in my life stories as well. He will always be remembered for his kindness, and generosity, and I look forward to my own promotion as George always put it when we will see him and Carolyn in that beautiful place we call heaven. “ George Etz was a close friend to my parents Priscilla and Gordon Roelofs for many years. As a family we'd go to their home for Bible studies which was followed up with coffee, juice and cookies or cake. The Etz's always made me feel welcomed. My wife and I extend our deepest sympathy to King and Ben and their families during this time. Jim Roelofs
