“ *I am proud to say that Ms Helan was a great woman of God. She loves to worship God and had a heart for souls. She was a missionary to Mexico, learned Mexican language and ministered to people over their. As Chaplain, it was my privilege and honor to visit Godly people like Mr. & Mrs. Denner. I believe that she is in a better place, enjoying the presence of God. I love her dearly.

Thank you so much for visiting my parents it means so much to them. My mother had wanted to be a missionary since she was a little girl and she recognized his calling even then.
