“ *I first met Irma about 20 years ago. I worked with her sister Minnie in the insurance business and it was then when Minnie and Irma both invited me to join them on my first trip to Las Vegas. Needless to say I was hooked. Through out the years, we kept in touch. It was my honor to have know Irma and her sister Minnie. I loved these women dearly. My deepest condolences to their family and to Armando and Elizabeth Flores and their children, you were their next of kin.*
