“ Our Prayers and deepest sympathy condolences to the James Zapata Family. My brother Art and I have known James and his family since we were kids growing up in the neighborhood by Knapp Hospital in Weslaco, where we played sandlot football-chased ground squirrels--and drove around neighborhood in my uncle's Rambler. With the passing of time, we all grew up and left that neighborhood and had our own families. James went on to have a successful career in the Insurance business and raised a beautiful family. God Bless You and your family my Friend we will miss you.

“ Our deepest sympathy to the family of Jaime Zapata. Although we did not have the opportunity to meet Jaime we are certain that he will be greatly missed and was wonderful and kind man. Our good fortune to be blessed with Dora and Armando as our neighbors has shown us that everyone in their family is a true reflection of God's love for others. May God comfort you all.

Sincerely,

“ Our condolences to my cousin, James's family. You will always be in my heart, primo, my heart aches just knowing that you're gone, leaving your beautiful family behind. You were one of my greatest cousin, I could always depend on you for every family celebration that we had. You were always there to walk with me as padrinos. Thanks for all your kindness you showed to me, my family, especially my Mom. You are gone, but not forgotten, I love you. Sylvia and family,, may the Lord give you comfort to deal with this enormous loss.
