“ *A great memory I have was going fishing with my Dad Jimmy and Tamara at the stripminds off State street. Where Jimmy caught two of the biggest catfish I ever saw and let Tamara and I each reel one in. It took us both forever and then we cooked them at my Aunt Sue's house and they were like rubber lol*

“ Jimmy was one of "our boys". We will always remember Jimmy as a loyal friend, funny, and a productive member of Troop 621. He worked hard to receive his Eagle award. He was a valued member of the troop who always went above and beyond what was expected. To Jim, Dee, Mark, and Terri: You are in our thoughts and prayers. We remember all the good times, camping, and visiting on Seventh street. You all were wonderful neighbors. Much love, Jeannette Dexter Mike Fincannon

“ Jimmy was a great friend, fellow scouter. We had many many good times camping and raised a little of the heck. Never will forget the Fish Eating Creek days and National Scoot Jamboree where we had to insist that they not turn over our canoe , water way too cold for the Florida Boys so we used paddles to get our point across 😞 😞. Until later....

My sincere condolences to the family of Jim Gressinger as well as his friends and fellow workers at J & D Produce. I only knew Jim for a couple of years. However, I always enjoyed his friendship and willingness to get to know someone as a person. I did some business with Jim at the farms but it was always nice to have a brief visit with him, whether in person or on the phone. He will be missed by many including myself. May God grant you the degree of peace and comfort that only He can provide.
