“ *Southwell's have been a positive influence in mine and Ann's life nearly 50 years beginning with "Daddy Bill".. Jim's steady hand, strong Christian values, and just a way of doing the "right thing" regardless of the situation will not be forgotten a...Memories of hunting, fishing, golfing, snow skiing, and "talking about the good ole days" are too many to mention. I always felt better being around Jim...may my "old buddy", as he would say, rest in piece... job well done... Ernie Williams*
