May 13, 2024

### In Loving Memory of Jared Stanley Emerson

Jared Stanley Emerson, beloved son, brother, and friend, left this world too soon in Austin, Texas, at the age of 34. Born on March 14th, 1990, Jared was a radiant soul who touched the lives of all who knew him.

Jared was a graduate of Sharyland High School, Class of 2008, where his vibrant spirit shone brightly. He was in pursuit of a plumbing license, a testament to his dedication and hard work.

A true poet at heart, Jared had a passion for writing songs and poetry, drawing inspiration from his relative Ralph Waldo Emerson. His love for literature was evident in his avid reading habits, which he enjoyed alongside his adventures in the great outdoors and his affinity for water-related activities.

Jared's adventurous spirit led him to diverse experiences, including working on an oyster farm in Alaska, a testament to his curiosity and zest for life.

Jared's generous heart knew no bounds. He was preceded in death by his father, Stanley H. Emerson, and is survived by his loving mother, Frances Emerson-Flatt, his devoted sister, Lillian Williams, and his brother, Amos Bradley Emerson.

Jared's empathy and compassion were unparalleled. He dedicated his time to giving back to his community, volunteering at sea turtle rescues and participating in beach cleanups. He had a special affinity for helping the homeless, always willing to offer support and lend a helping hand to those in need.

Though a little mischievous in his youth, Jared's infectious laughter and boundless love left an indelible mark on all who knew him. His emotional intelligence and genuine kindness touched the hearts of everyone he encountered.

A celebration of Jared's life will be held on May 21st, 2024, starting at 9 am at St. Mark's Methodist Church in McAllen, followed by burial at Valley Memorial at 11 am on the same day.

To our beloved Jared, whose absence leaves a void impossible to fill, may you find peace and serenity in the arms of angels. Your memory will forever live on in our hearts. We are profoundly grateful for the outpouring of love and support during this difficult time.

With love,

Amos Emerson, Lillian Williams, and Frances Emerson-Flatt

“ Jared, you were always up for joining in adventures and entertaining my silly ideas. We had so much fun together and shared so many laughs together. You helped with building enrichment for sea turtles and rescuing injured animals. Thank you for those beautiful memories. You are missed!

“ You have a permanent place in my heart for as long as I live. My world was a better place because when you were present you provided laughter, kindness, and a feeling of belonging. I saw you go from diapers to blue jeans. From a cute adorable baby to a wonderful gentleman. You always made me feel like I was an important part of your family. I admired your sense of adventure. I will miss you so much Jared, until we meet again I will hold on to many memories of you. Especially last March when the whole family spent the afternoon at the Livestock show. Here’s the last picture I took of you.
