

Jimmy Bruce

January 13, 2018

Jimmy Bruce passed away on Saturday, January 13th. A graduate from Texas A&M University with a bachelor's degree in entomology, Jimmy worked for the USDA in several countries until his retirement. A devoted worker even after retirement, Jimmy ran his own business serving farmer and ranchers in the Valley. He enjoyed hunting and fishing and was an adventurous traveler. He is preceded in death by his parents, Delbert and Ruby and his sister, Betty. He is survived by his widow, Jackie, his sister, Annie and brother, Sam as well as his children and their spouses, Tracy and Enrique, Jimmy and Marisol, and Carrie and Jody. He leaves behind 12 grandchildren and spouses, Rebecca and Adam, Jamie and Ryan, Kayla, Katie, Jimmy III, Arianie, Josh, Jacob, Jessica, and Brianie and great-grandchild, Eleanor. He will be remembered by those who knew him for his love for animals, outgoing personality, great wit, loyal friendship, and generous spirit and he will be deeply missed.

Although we are saddened by the loss of a friend and father, we find comfort in the knowledge that he is loved by God and held safely in His hands. Please join us for a celebration of the life and legacy of Jimmy Bruce to be held at Kreidler Funeral Home on Thursday, January 18th at 6pm.

In lieu of flowers, donations can be made to the following organizations:
