“ Johnny Mac and I were together from elementary school through Donna High School. I called Johnny every year on his birthday (September 2), and he would call me on mine, September 17th. I would sometimes stop off in Edinburgh to visit briefly on my way home to visit my family. We actually graduated in 1967, and he signed his football picture his senior year, all Tower Road. We just spoke in September on our birthdays. I will miss our conversations, and will always treasure his friendship! My prayers go out to his family and loved ones at this difficult time!

Sincerely,

Bobby Johnson
