“ *It was such a blessing to have Juanita in my life. She was a great inspiration and great Christian lady who was always cheerful and I remember her always smiling when she would see you. She was the best Mother-in-law one could hope for and was never judgmental no matter what. She had so much love for others and that came from the Lord. I always looked up to her and she did so much for me in my life and accomplished so much including being my kindergarten teacher at Taylor, working there as a Director for many years, going back to the University to get a higher Degree later in life and then working At Hidalgo ISD. She loved all her family and her grandkids, including Derek, whom she traveled to see graduate even tho she was sick that time. May she rest in peace and we will always have her in our hearts forever. Sallie*
