“ *I love the way you love, dad. Your love for mom is so profound and pure. And you love me, your only daughter, the same way. And I thank you, dad. I felt so protected with you. Everyone saw the bond we have. My buddy. My best friend. You were so full of truthfulness, everything you did and said was honest and true. Everyone who knew you loved you because of who you were. You left an impression on everyone who interacted with you. Most importantly by the way they saw your love for me and mom. I have been so blessed to be loved so much. I love you, dad, and miss you, oh so much. But I have you in my heart. I will miss you every day of my life.*

“ *Grandpa never wanted us to say goodbye...he insisted on us never saying that word. He'd correct us and tell us "I'll see you later".* ❤️

“ *My Dad, not only did he have the strongest physical endurance but he was strong willed, strong of character and extremely responsible. All his children and all who knew him were well aware that with dad, " You Walked the Talk and you Walked a straight Line" A rare man he was, taking a woman he loved all his life to his very last breath. A woman, my mom, with 7 children and made them his own. He taught us many things which some of us caught on and some of us did not however that was our choice. One of my most cherished memories that has helped me in my life, was to reach for Excellence and strive to be the Best in all I do. If I came home with a B, he always told me I could bring home an A. After a while, I believed it and I did it. If we had to do our homework 10 times to get it right , we did. That developed Excellence, Character, and Accountability. My Dad shaped a lot of what my character is (the good traits) and for that I will always Love him and Miss him.*

“ Dad would take us fishing on Friday's at least twice a month. He'd have the truck and little boat loaded and we'd head out to Falcon Lake. Dad and Ludwig would fish, I'd stay with mom. Dad and Ludwig would bring me the bass they'd catch, I'd gut it and take off the scales and mom would cook it. Best fish I've ever eaten.
