“ *Oh my Karlita how my heart still bleeds when I think that your beautiful smile, laughter is no more nor those green eyes to look into. You were an amazing pod partner while we were at BMS having achieved several milestones in sales & recognition. I fondly remember the days we first met & your determination to break into the business. I encouraged you to be patient, gave some coaching & behind the scenes went to bat for you. You did not disappoint the Valley team or management. You will always have a unique place in my heart my dear friend. God Bless you, REST IN PEACE.*

“ I am so sorry to hear of your passing Karla. I hadn't spoken to you since we were teens but I remember you fondly. You were so beautiful inside and out. Those gorgeous green smiling eyes. I will forever cherish the memories of our sleep overs giggling about boys. My deepest condolences to your family. May you forever Rest In Peace. Angela Gonzalez
