“ *It was 45 - 48 years ago, that I was best-buddies with their son Kevin. In many visits to their home in McAllen, I also came to know their beautiful daughters, Kathy and Dana.*

Although nearly half a century has passed, I often think of the Grossmans, and replay with a smile the many memories and conversations we had.

I knew that Lou Grossman was a nurse (active back when I knew her). This lady could make a mean beef stroganoff! Don Grossman worked for Tide Chemicals back in the day (Don thankfully didn't bring his work home for dinner :).

If any of the Grossman family still reads these messages here, I'd love to touch base and reconnect. James Clark. Kingleo1@aol.com. 512-799-5101.

God bless.
