

Louis (Eliazar Ben Schmuel) Levin

April 9, 2023

It is with profound sadness and the heaviest of hearts that I announce the passing of my beloved father, Louis (Eliazar Ben Schmuel) Levin.

He passed peacefully in my home surrounded by the love and warmth of his family.

Dad, you are my light.

My NeShama (Soul)

My reason for being.

I carry your torch and rich traditions with Me as I raise your "Arikins SafARI".

You had a Huge Heart, incredible work ethic and truest sense of family. You were born in Goose Creek, Texas May 1, 1930. You served bravely in the Korean War as a Sargent and continued throughout your life to dedicate yourself to family, your community and your faith.

As a partner in La Tienda Amigo, you played a vital role in the Valley serving customers for over 50 years. As a fervent supporter of Israel Bonds and Temple Emanuel in McAllen, Tx, you were committed to your Jewish identity and the well being of the Jewish people.

It's clear to anyone that met you that you loved your family deeply and they were the focus and foundation of your amazing life. Your role as husband, father and Zayde (grandfather) brought you great joy. Passing on traditions were the cornerstone of this life. As unofficial chrain maker and Latke King, it was clear the importance you placed on passing down cultural practices to future generations.

You were a Mensch of all Mensches!

Your memory is beyond a blessing to all those whose lives you've touched. It is indeed a legacy that will continue to inspire others to live with the same values and commitment that you so vehemently embodied.

HaShem broke the mold when he made you, Dad. But it's that very mold that has shaped all of our lives for eternity.

Dad is preceded in death by his daughter Debra, wife Myrna. Brothers Bernard and Alfred. Survived by son Sheldon, grandsons Ari SafARI, Aiden and Coulter and Niece Sharon.

You will be missed but never forgotten. Until we meet again.  

In lieu of flowers, we ask that you donate to his favorite charity:

“ *Who can forget how Lou always made our Passover so special with his horseradish. He was the expert potato Latke maker and the ultimate volunteer for our Temple Emanuel.*

Our thoughts and prayers are with you, Sheldon, and your family.

With deepest sympathy,

Homero and Sonia Rivas
