

Malcolm Ulcak

February 12, 2023

Malcolm Ulcak passed away peacefully while surrounded by his wife and daughters on February 12, 2023, at the age of 79. He was a beloved husband, father, brother, uncle and friend. He had a great sense of humor, was clever and people enjoyed being around him. He was an intelligent, caring, kind, and gentle man who made his family proud.

Malcolm was born in 1943 to John Ulcak and Wilma Stojonik Ulcak in Corpus Christi, Texas. After graduating from high school, he moved to McAllen, Texas, to pursue a career in radio. He enjoyed various genres of music but especially loved Oldies from the '50s through the '80s. His love of music influenced his daughters who captured his zeal for the music of that era.

Being a "jack-of-all-trades", Malcolm worked various jobs, finally starting his own business in Air Conditioning & Heating. After retiring, he was able to fully pursue his passion for travel, especially cruises with his wife and fishing trips with friends. He enjoyed spending time with his family, and especially looked forward to hosting white-wing hunting each Labor Day weekend with his brother and nephews.

He was preceded in death by his parents and his brother Johnny. He is survived by his wife of 53 years, Susan, the love of his life, daughters Heather (Boone) Bradberry and Kelly (Brian) Moss, his sisters Gladys Lippincott, Joyce Zarsky, and numerous sisters and brothers in law, nieces and nephews.

A celebration of his life will take place at Kreidler Funeral Home at 314 N. 10th

Street in McAllen, Texas, Friday, February 17, 2023. Visitation will be from 6pm-8pm with a Rosary beginning at 7pm.

The family requests those who wish to express sympathy to consider making a donation to St. Jude Children's Research Hospital in Malcolm's name.

“ *I'm sorry to just now hear that Malcolm has passed away. He was my AC guy, and I remember that he was a straight-shooter, no-nonsense guy and a nice person. His wife was the teacher of one of my kids. My condolences.*
