“ *My family has been so blessed to share Marcella's love since she taught my daughter, Kristin, and my son-in-law, Eric, in first grade. I was so fortunate to have been Paul's teacher at Milam, and to see Marcella's pride in her son throughout the years. As the years passed and our friendship grew stronger, I was also blessed to share Marcella's pride in Sherri and her sons. Both Brandon and Garrett were my fifth grade students at Gonzalez, and my daughter, Kristin, and I are Ryan's godparents. I have such wonderful memories of conversations with Marcella regarding her children and grandchildren. There is nothing stronger than a mother's love for her family. Marcella has touched so many lives throughout the years and will be dearly missed by so many of us.
With deepest sympathy and love,
