“ Aunt Margaret- I know we were not able to spend much time together because we were so far apart but I do have wonderful memories of you. I remember when I was away from family in boarding school and you sent the best letters and care packages. I looked forward to your letters so much and I felt we formed a special friendship because of them. I know you will be missed so much, but I believe you are in a better place.  
Your niece, Vanessa
