“ *To Mark's family:  
Though I have not lived in the Rio Grande Valley since high school, I still have such fond memories of Mark. He was so kind, quiet and shy and we silly girls gave him grief always. As young teens he invited me to a school dance. He in his white jacket and me in my home made dress had such a good time and what a gentleman! It was clear to me he would grow into a man of integrity and be successful in life. Clearly he achieved these things.  
Blessings to his family,
