“ *I will always remember Martha for her kindness and willingness to help. Several years back when I would go down to The Valley to visit my ailing mother in McAllen, Martha always asked if she could help in any way. Do you need anything, have you eaten, and I'm here if you need me we're questions she always asked. For me, Just knowing that she was there, if just by being my sounding board, helped me and comforted me tremendously. That was Martha!! There was not a selfish bone in her body. That is how I will always remember Martha.*

Charles, May memories of Martha and the love of family surround you and give you strength in the days ahead. And Martha, Rest well! You were a good and faithful servant! Now go reap your reward!

Until we meet again,
