Roberta and family, know you are saddened by the loss of Tuffy, a very sweet person. But, you are just a thought away from him. Energy never dies, and we are all made of energy. You may miss his physical presence, but his spirit is with you.

*Love to you all,

Condolences to Roberta and her family. Tuffy was a beautiful soul. But, only Tuffy's physical presence is gone. We are all energy and as physics teaches us - energy never dies. Tuffy is just a thought away. He will be with his love ones.
