“ *So many happy memories move through my mind. Our dearest Aunt Minnie gave us so much love growing up. She made family vacations at the beach the happiest of times. Especially her energy and optimism! I'll never forget how much she gave of herself and especially her love to all of us. I find peace knowing that she is reunited with the love of her life dancing circles in heaven.*

“ Aunt Minnie will be forever missed and never forgotten. Rose and I have been thinking back and smiling at all the joy and love we have shared together as a family. Her love of nature and “heading to the beach” was her happy place where friends and family gathered throughout the years. Aunt Minnie made such a positive contribution to my family and we will always cherish her blessed memory.
